

DGS Questionnaire

The Graduate School appoints a multi-disciplinary faculty panel to make recommendations for the Graduate School competitive fellowships and awards. We ask the Director of Graduate Studies to complete this questionnaire in order to better inform the committee about disciplinary and programmatic differences. This form is completed for students who are being nominated for the Semester Dissertation Fellowships (Wylie, Lee Thornton) and Summer Research Fellowships (Graduate School SRF, Kulkarni SRF).

If the student's advisor is also the Director of Graduate Studies, please assign a DGS designee.
