Application for Graduate Admission

Description of Research/Work Experience – Economics (ECON)

Please upload the response to the question below to the *Uploads Requirement* section (*Supplementary Application*) of the online application.

Please explain in detail any research experience you may have. This should include any independent research conducted (including those for a class or for a thesis), research assistantships, or internships where your primary role was assisting others in their research. If you were assisting others with their research, be sure to comment on the nature of this research (academic, policy-oriented etc.) and your contribution. You should also elaborate on your research interests in Economics and, if applicable, how these are shaped by your prior research experience. (If you discuss your research experience in detail in your statement of purpose, you may simply answer “Please see my statement of purpose for this information.”)
