

CONVERSION OF DEAN'S FELLOWSHIPS TO UNIVERSITY FELLOWSHIP

This form is an application to convert \$20,000 in Graduate School Dean's Fellowships (DF) into one Graduate School University Fellowship (UF). The conversion of \$20,000 in DFs into one UF (\$20k total supplement over four years or fewer) will earn an additional \$5k from the Graduate School, producing a total UF of \$25k.

If desired, the additional \$5k may be used to extend the UF to five years. In order to qualify for the extra \$5k, the \$25k must be added to at least the department's standard package of support - it cannot be used as part of the standard package. If the additional \$5k is used for a 5th year, the standard package must be extended for a 5th year and the \$5k added to it.

Completed forms should be sent to Patricia Woodwell, 2123 Lee Building or paw@umd.edu. Once approved, a copy will be sent to the requesting department approving the conversion and additional funds for the specific student listed below. All other fellowship guidelines still apply.

STUDENT NAME: STUDENT UNIVERSITY ID NUMBER (UID):

DEPT/PROG (4 letter code): COLLEGE: Aid ID for DF:

FUNDING ALLOCATION TO STUDENT BY YEAR:

Table with 5 columns (YEAR 1 to YEAR 5) and 4 rows (STANDARD SUPPORT PACKAGE TYPE, STANDARD SUPPORT PACKAGE AMOUNT, DEAN'S FELLOWSHIP AMOUNT, TOTAL FUNDING RECEIVED). Each cell contains 'FY' followed by a blank line for input.
