Please upload the response to the questions below to the *Uploads Requirement* section (*Supplementary Application*) of the online application.

Last Name _____   First Name _____   Middle Name _____

Date of Birth (MM/DD/YY) _____

The applicants have various backgrounds and preparation when accepted into this program. To gain admission, applicants are not required to have any GIS experience. However, before a student can start the program, he/she needs to meet the prerequisite requirement: a background in GIS.

I have taken the required prerequisite(s) for this program.   Yes   No

If yes, please specify:

        Introductory Course in GIS*

        Practical/Field Experience (please attach verification to this form)

*These prerequisite course (GEOG579) is offered online by the MS/GC GIS program during the summer proceeding the fall term when the program starts. You can either take this prerequisite course through the University of Maryland or the equivalent course in other institutions. The prerequisite course does not count toward the degree.

How did you hear about the UMD MS/GC GEOINT program? Please check all that apply.
