

DGS Questionnaire

(Dissertation Fellowships / Summer Fellowships)

The Graduate School appoints a multi-disciplinary faculty panel to make recommendations for the Graduate School competitive fellowships and awards. We ask the Director of Graduate Studies to complete this questionnaire in order to better inform the committee about disciplinary and programmatic differences.

Complete this form for students who are being nominated for the Semester Dissertation Fellowships (Wylie, Lee Thornton) and Graduate School Summer Fellowships (Summer Research, Summer Internship). *If the student's advisor is also the Director of Graduate Studies, please assign a DGS designee.*

Student Name _____ Program _____

In this program/field, the expectation for time to degree is approximately _____ years.
Students typically reach candidacy by the _____ year.

What is the typical publication record for a student in your program/field?

What are the top journals in this field?
