Jacob K. Goldhaber Travel Grant

Instructions

The Jacob K. Goldhaber Travel Grant is intended to help defray the expenses incurred by graduate students who are traveling to scholarly, scientific, or professional conferences to present papers, posters, or other scholarly material. The following guidelines have been established in order to accommodate as many students as possible and to allow applications to be processed in a timely manner.

If you have any questions regarding Goldhaber grants, please contact the Graduate School by phone at 301.405.0281 or via email at gradtravelawards@umd.edu.

Rolling Deadline

The Goldhaber Travel Grant is awarded on a first-come, first-served basis. A rolling deadline allows graduate students to apply at any time as long as the necessary documents are included with the application and the application is received **before** the travel dates.

Award Guidelines

Preference will be given to students who have advanced to candidacy (or in the case of master's degrees, students in the final stages of their program). Graduate students are eligible to receive the Jacob K. Goldhaber Grant twice during their graduate education at the University of Maryland, once before the achievement of candidacy (including MA students) and a second time after the achievement of candidacy. Students must be registered, degree-seeking graduate students during the travel period. Goldhaber Travel Grants cannot be used to fund travel for alumni or Advanced Special Students. Application for a Goldhaber must be made **before** the travel dates.

Goldhaber awards are matching awards. Students must first have funds from a college, department, advisor's grant, or an external source before they are eligible to receive a Goldhaber. The amount requested from the Graduate School may not exceed 50% of the total travel budget nor exceed the maximum regional award amounts (see regional table below). This amount is based primarily on the cost of travel and is not necessarily equal to the amount given by a department.

Goldhaber Travel Grants are made—

- For domestic and foreign travel to meetings, conferences, and workshops that have officially published programs;
- To students who are presenting a paper, poster, or other type of presentation.

Requests for participation in informal conferences or workshops will not be approved.

Requests for participation in a course will not be approved.

The award amount is awarded according to the following criteria:

- Amount of funds available;
- Number of students applying;
- Destination.

Goldhaber awards may not exceed the amount contributed by a college, department, or other source, regardless of funds available or destination. Students may receive a Goldhaber Travel Grant twice during their tenure at the University, regardless of degrees earned.

Regional Award Amount

Award amounts are based on the distance traveled.

Region 1: U.S. East of the Mississippi River	\$250
Region 2: U.S. West of the Mississippi River, Puerto Rico, Alaska, Hawaii	\$400
Region 3: International	\$600

Application Procedures

Complete all parts of the Goldhaber application. The student must sign the form and a representative of the source of primary funds must sign the "Funding and Funding Sources" section of the application. The student's signature serves as his or her understanding and acceptance of the provisions of the award.

A complete Goldhaber application includes:

- A signed Goldhaber application cover sheet showing a promise of funds. The promise of funds may be satisfied by the Chair, Dean, Director of Graduate Studies, or advisor. Please list all dollar amount(s) and funding source(s) in the "Funding and Funding Sources" section of the form.
- Proof of participation in the conference. This may be a copy of a letter or email accepting the proposal, an invitation, or a printed program.
- An abstract of the presentation.
- A letter of recommendation from the academic advisor that addresses the importance of the conference to the student.

Submitting the Application

Please prepare your application materials as a single PDF file, if possible, and submit your application using the Graduate School Awards System available at gradschool.umd.edu/GSAwardsSystem/.

If you have any questions or need assistance, please contact Robyn Kotzker at gradtravelawards@umd.edu.

Award Acceptance

Upon notification of an award, a student must submit an [ACCEPTANCE FORM](#) to the Graduate School within 2 weeks and notify the department/program of the award.

Reimbursement Procedures - Students Must Retain All Original Receipts

After returning from travel, the student must submit to the department a travel expense statement (available from the department's administrative staff) and all original receipts within two weeks.

The department will reimburse students both for their expenses (the promised funding) and the Goldhaber award. If a number of students are sharing expenses, then those who cannot submit original receipts may submit copies provided they attach a written statement explaining who submitted the original receipts.

Goldhaber Travel Awards are reimbursed to departments only after students have been paid the full amount of the promised funds plus the Goldhaber. **NOTE:** If the student has only external funds (e.g., from the conference or another outside agency), the department pays only the Goldhaber. The department must include a memo verifying payment of any external funds when requesting reimbursement from Goldhaber.

Requested documentation includes:

- The student's Travel Expense Statement
- The department's KFS report
- The department's credit card statements, if applicable
- A memo with clarifying notes, if applicable
- NO copies of student receipts are necessary

Business managers, please gather the necessary documentation and submit your reimbursement request using this [REIMBURSEMENT REQUEST FORM](#).

Please submit all requests within 6 months of travel.
