GAAC NOTATIONS ON AGENDA ITEMS

- 2) Reopen discussion to see if it is possible to have students fees paid through weekly installments similar to how parking permits are paid (Tyler)
- 3) Request for update on childcare plans (Justine)
- 4) Update on plans for revised elections process (Yakov)
- 5) There are concerns regarding Grad student parking on campus, specifically: It seems like grad students parking always the first to be cut (Lot 5)? Is there any way to increase after hour Grad Parking (in non-numbered/restricted lots)? (Justine & Abhijit)
- 6) International students website leaves a lot to be desired. Is there a possibility to make accessing this information easier? At least make link to HR website easier to find? (Jessica)
- 7) Rob Specter was going to give us guidelines re: workman's comp, but we have not seen them yet. What are the official guidelines? (Katelyn)
